Abstrac

The main text, like the author names used **Times New Roman font**, **14 point** for the Author names and **12 point** for the remainder of the abstract. Type or paste your text into this file, but remember to keep the page margins the same as is set here which is **2.5 cm** all round. Paragraphs are justified (**straight-edged**) on both left and right. Use **single-line spacing** and leave a line gap between paragraphs. This helps your text to be read easily.

Please try to organize your abstract in the standard format, including **Background, Materials and Methods, Results, and Conclusion**. **The number of words should be up to 300 words**

There is no fee for submission of an abstract, but if you do not register and pay the outstanding registration fee in full by the deadline, the abstract will not appear in the abstract book.

The organizers expect that there will be more abstracts submitted with preference for oral presentation than can be accommodated in the programme. They will inform those who submit abstracts for oral presentation whether the paper is scheduled for oral or poster presentation. Please note that there will be ample time for discussion of posters built into the conference schedule.

The limit for your abstract is one page. Abstracts that do not meet these formatting requirements will be returned. The organizing committee reserves the right to edit abstracts for clarity or correctness of English, but will consult the author if any significant changes are needed.
